

# GOPIKA M R

## PYTHON FULL STACK DEVELOPER

Kochi, Kerala | +91-9947800422 | [gopikamr666@gmail.com](mailto:gopikamr666@gmail.com)  
[linkedin.com/in/gopika-m-r-4bb971371](https://www.linkedin.com/in/gopika-m-r-4bb971371) | [github.com/gopikamr666-byte](https://github.com/gopikamr666-byte)

## CAREER OBJECTIVE

---

Motivated BCA graduate and Python Full Stack Developer with hands-on project and training experience in Python, Django, and web development technologies. Skilled in building end-to-end applications using web development and image processing techniques. Strong problem-solving ability and eagerness to apply academic and practical knowledge in a collaborative, professional environment.

## TECHNICAL SKILLS

---

- Programming Languages: Python, JavaScript, SQL
- Web Technologies: HTML, CSS, JavaScript, Django, React
- Tools & Platforms: Git, GitHub, MySQL
- Core Competencies: Problem Solving, Communication, Team Collaboration, Time Management

## PROJECTS

---

### GreenGuard: Smart Crop Health Monitoring System

Technologies: Python, Django, HTML, CSS, JavaScript

- Built a plant disease detection system using image processing to analyze leaf images.
- Detected disease signs from colour and texture patterns in uploaded images.
- Displayed disease name, symptoms, and treatment suggestions to help farmers.
- Designed separate Admin and User modules for data and image management.

## EXPERIENCE

---

### Python Full Stack Development Trainee | LCC Computer Education

3-Month Training Program

- Completed hands-on training in Python, Django, React, JavaScript, SQL, Git, and GitHub across the full application development lifecycle.
- Built GreenGuard, a plant disease detection system, as the main project during the training, applying image processing to analyze leaf images.
- Strengthened problem-solving, debugging, and version control skills through practical, project-based learning.

## CERTIFICATIONS

---

- Python Full Stack Development – 3-Month Training Certification, LCC Computer Education

## EDUCATION

---

### Bachelor of Computer Application (BCA)

SRBS Gujarati College, Mattancherry, Kochi, Kerala | 2023-2026

- Relevant Coursework: Python Programming, Web Technologies, Database Management, Computer Applications

## LANGUAGES

---

- English
- Malayalam
