CAREER OBJECTIVE

Motivated BCA graduate and Python Full Stack Developer with hands-on project and training experience in Python, Django, and web development technologies. Skilled in building end-to-end applications with strong problem-solving ability and eagerness to apply academic and practical knowledge in a professional environment.

TECHNICAL SKILLS

- Programming Languages: Python, C, C++, JavaScript
- Frameworks: Django, Bootstrap
- Web Technologies: HTML, CSS
- Database: MySQL
- Tools: GitHub, VS Code

PROJECTS

GreenGuard: Smart Crop Health Monitoring System

Technologies: Python, Django, HTML5, CSS3, JavaScript, Machine Learning, CNN

- Developed a CNN-based system to detect plant leaf diseases from uploaded images.
- Used image preprocessing techniques to identify disease symptoms such as spots, patches, and colour changes.
- Classified leaves as healthy or infected and identified specific diseases.
- Provided disease severity, treatment, and preventive recommendations.
- Implemented separate Admin and User modules for managing disease and treatment information.

EXPERIENCE

SMEC Technologies, Python Full Stack Intern

2026 – Present

- Contributing to live full-stack modules at the company, building backend logic and responsive front-end pages under senior developer guidance.
- Writing Django views, models, and templates to power database-driven features backed by MySQL.
- Debugging existing code, fixing UI issues, and maintaining version control using Git for ongoing project tasks.

LCC Computer Education, Python Full Stack Trainee — Completed

- Completed structured coursework covering Python fundamentals, Django architecture, and front-end basics (HTML, CSS, JavaScript, Bootstrap).
- Practiced database design and queries in MySQL through guided lab exercises and assignments.
- Built a mini full-stack capstone project from scratch as part of the training, covering both frontend and backend integration.

CERTIFICATIONS

- Python Full Stack Development – **LCC Computer Education**

ACADEMIC PROFILE

SRBS Gujarati College, Bachelor of Computer Applications (BCA)

2023 – 2026
